People who are at risk of hurting themselves or others often show warning signs before an act of violence takes place. If you see something that doesn't seem quite right, parents and students are encouraged to report their concerns to your building's administrator.

Make sure your child's emergency contact information is up-to-date and accurate. If your child requires medication, please be sure it is supplied to the school nurse.

Parents **SHOULD NOT** respond to the school building during an emergency. Doing so can greatly interfere with the efforts of emergency responders to manage the incident.
